

Advanced Vision Systems Inc. (AVSI) Awarded Contract by the Naval Surface Warfare Center Indian Head Division (NSWC IHD)

Advanced Vision Systems Inc. announced today the award of a support contract by the Naval Surface Warfare Center (NSWC) Indian Head Division for Technical Acquisition Support Services. This contract is a performance-based Indefinite Delivery, Indefinite Quality (ID/IQ) type.

Under this contract, AVSI will support AEO in the areas of acquisition planning, financial support, data management, administrative, and program management. This assistance is needed to support both new and established requirements.

“We are honored to support NSWC-IH. The talent and energy found in our local labor pool, validates our decision to relocate AVSI headquarters in the Town of Indian Head.”
