

Advanced Vision Systems Inc. (AVSI) Awarded Seaport Next Generation (NxG) MAC Contract by the U.S. NAVY.

On January 2, 2019, the U.S. Navy awarded Advanced Vision Systems, Inc. (AVSI) the indefinite-delivery/ indefinite-quantity multiple award contract known as Seaport Next Generation (NxG). Through this contract, AVSI will compete for individual task orders supporting Naval Sea Systems Command, Space and Naval Warfare Systems Command, Naval Supply Systems Command, Military Sealift Command, Naval Facilities Command, the Office of Naval Research, and the U.S. Marine Corps.

The contract holds a total value of \$5 billion and includes a five-year base period with one five-year option. Under contract number N00178-19-D-7062, AVSI will perform a variety of engineering services and program support as required by the individual task orders.

“We are excited to add additional teaming partners and breadth to our capabilities. We look forward to supporting the Navy through the Seaport NxG contract vehicle.”
