

### **AVSI celebrates with ribbon-cutting ceremony**

Advanced Vision Systems Inc. held a ribbon-cutting ceremony May 5 to celebrate the opening of its newest office at 4165 Indian Head Highway in Indian Head. Established in 2004, Advanced Vision Systems is a small, woman-owned, 8(a)-certified and Charles County Minority Business Enterprise company specializing in efficient engineering. The company's technical team has more than 40 years of experience and advanced scientific degrees, according to a company press release.
